Story sequencing activity

This morning we left our flat 10 minutes late

because my son could not find his school bag.

We ran all the way to his school so he was on time.

Then I ran all the way to the bus stop because I had a class.

I waited over ten minutes for a bus.

When I got on the bus and put my pass on the reader,

it beeped because I had no money on it.

So then I had to run to a shop to top-up my Oyster.

I ran back to the bus stop and a bus came straight away.

Luckily, after all that running, I was not late for my class.
