

## Braids and birds

When we describe the style and colour of hair, we put the style before the colour. For example: *She's got long, brown hair.*

1. Use words from the boxes to describe the hair in the pictures.

Style	Colour
long	black
short	brown
curly	blonde
straight	red
braided	grey
wavy	white

She's got \_\_\_\_\_, \_\_\_\_\_ hair.

She's got \_\_\_\_\_, \_\_\_\_\_.

He's got \_\_\_\_\_, \_\_\_\_\_.

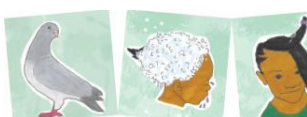

\_\_\_\_\_

\_\_\_\_\_

2. Work with another student. Look at pictures in magazines or photographs of your friends and family. Describe the hair in the pictures/photographs.

## Braids and birds

## Answers

She's got long, red hair.

She's got curly, black hair.

He's got wavy, blonde hair.

She's got braided, black hair.

He's got short, black hair.

### Teachers' note

*The answers above are not the only answers that students can give. Accept any answer that follows the pattern of the example, with one word from the style box and one from the colour box.*
