

On the bus

Story sequencing activity

My son can't find his school bag.

We leave our flat 10 minutes late.

We run to his school.

Then I run to the bus stop.

I have a class.

I get on the bus.

I put my pass on
the reader.

It beeps!

I run to a shop to
top-up my Oyster.

I run back to the
bus stop. A bus
comes quickly.

I am not late for
my class.
